

The Fruits of Our Labour Quilt Show And Competition

The Fruits of Our Labour Quilt Show and Competition was held on Sept 5, 6 & 7, 2002 in conjunction with the Owen Sound Fall Fair. 30 large bed size quilts, 15 wall hangings and 5 pieces of clothing were entered and almost \$3,000.00 in prizes were awarded. The show was hung in the coliseum at the fairground and we also hung 20 older quilts and 9 sampler quilts. The older quilts provided a nice contrast to the new quilts. During the last two years we have also showcased a certain pattern and this year we selected several beautiful sampler quilts from our area. About half the entries were from the Bluewater Quilters Guild and our committee are members who have donated their time to put this show on.
